credit evaluation performed by the university
on admission to the university and registration in at least one term with TROY. All information
obtained within these pages does not necessarily reflect current catalog course listings

for
TROY or the transferring institution. These transfer listings are primarily based on academic
catalogs since Fall 2005. Therefore, please understand that these listings are a culmination of
TROY courses and transfer courses as of this current date. It is not necessarily a complete
listing of all possible transfer courses from any one institution, although, the most common
transfer institutions for TROY will display more extensive course listings. As requirements and
course descriptions may change, this transferability information is subject to change at any time,
without prior notification.

Students, advisors, and/or faculty/staff may all use these transfer pages to understand how
course work from the listed institutions will be applied as TROY course work.

Students I R O O R Z L Q J D S S U R agreements may not always see those courses as
listed on those specific agreements. Therefore, they should not use these transfer pages alone
to determine the potential transfer credit award. The actual transfer/articulation agreements
should be used as they will take priority in the official transfer credit evaluation, with the
exception of courses ineligible for transfer due to specialized accreditation rules/regulations that
may apply to specific majors.

Additional information about academic policy, credit by examination, and the transfer credit
evaluation process can be found throughout the academic catalogs at
