

Progression in the Athletic Training Education Program:

1. Students who are accepted into the AT Program begin course progression in the fall semester of the acceptance year.
2. All students must maintain current CPR for the Professional Rescuer, First Aid, and AED certifications. Professional liability insurance must be purchased annually through the Department of Athletic Training. Proof of physical examination Hepatitis B vaccine, TB skin test, and current tetanus immunization must be on file when enrolled in the AT Program. Students are responsible for their own medical care if needed in the clinical education setting.
3. Achievement tests are required at various points in the

 NURSING, ASSOCIATE OF SCIENCE (ASN)  
 (70 HOURS)
 

---

Admission

take all required Troy University ASN nursing courses (i.e., no nursing courses will be transferred).

#### Progression

- a. Student must maintain an overall Troy University GPA of at least 2.0 on 4.0 scale while enrolled in nursing courses.
- b. Student must earn a grade of C or better in each required course.
- c. A student will be able to repeat a nursing course only one time to achieve a grade of C or better.
- d. A student may repeat only one ASN Program nursing course (with the exception of NSG 2204, Nutrition); therefore, a second D or F in any ASN nursing course (with the exception of NSG 2204, Nutrition) will result in automatic dismissal from the Program.
- e. Student must make 85% or higher on a dosage and solutions calculation examination in NSG 1151 to progress in the program.
- f. Student must complete the program within four years from the date of initial enrollment in the first clinical nursing course (NSG 1131).
- g. Students who drop, fail or withdraw from NSG 1131 must reapply by following Step II of the ASN admission process (i.e., these students will be included with the new pool of applicants in the selective admission process and should understand that they may or may not be selected for a slot in the new class);
- h. Re-en
