the grading weight of the assignment(s), and a deadline for when all required work must be received. It is the student's responsibility to follow up with the instructor on the status of their request for an incomplete grade and become informed of all work required and deadlines.

course, rs

Any student who receives an "I" must adhere to the deadlines set by the instructor for when required assignments must be received.

The instructor deadline must not exceed 9 weeks from the date of the end of the semester that the "I" was awarded. All instructor set deadlines apply whether or not the student enrolls for the semester or term following the assignment of the incomplete grade. Work received on or before the instructor set deadlines will be graded and a "Change of Grade" form to the registrar on or before the last day to remove an Incomplete from the previous term or semester published in the University's master calendar. Student assignments not received by the instructor's deadlines will not be graded and a "Change of Grade" form will not be submitted. If a "Change of Grade" form is not submitted by the appropriate time, the "I" will automatically be converted to an "FI". An "FI" is calculated as an "F" when determining grade point average.

Grading System

Note 1: Some grades, in addition to the F, calculate as an F in the grade point average.

Note 2: If the student makes a "D" or "F" in a core course, the course must be retaken.

Note 3: If the student makes a "D" or "F" in an elective

taking comprehensive examinations. This examination is usually taken during the last semester/term prior to graduation.

The passing of the comprehensive exams is not to be considered a waiver of any other requirement for any program. Students who have unsuccessfully attempted the comprehensive exam may not change their program of study. Should students fail the comprehensive exam, they must successfully retake the exam within one year of the date originally taken.

Thesis, Synthesis Project, or Dissertation

A thesis, synthesis project, or dissertation is frequently the culmination of graduate education at Troy University. These require a commitment of one or more years. While faculty assist in the direction, the graduate student is responsible for the development, research, writing, and completion of the thesis, synthesis project, or dissertation. Graduate students should consult with their program director and faculty adviser about thesis, synthesis project, or dissertation availability and suitability.

The Troy University Thesis Guidelines provides students with essential requirements concerning thesis preparation, completion, and submission. Individual departments, schools, and colleges may impose additional requirements or may specify requirements in greater detail. The graduate student has a responsibility to learn what, if any, special departmental/school/college requirements may apply. The thesis should be prepared in accordance with the instructions of the Troy University Thesis Guidelines and department, school or college special requirements.

The Troy University Synthesis Project Guidelines provides students with essential requirements concerning the preparation, completion, and submission of the project. The project should be prepared in accordance with the instructions of the Troy University DNP-Synthesis Project Guidelines and department, school or college special requirements.

The Troy University Dissertation Guidelines provides students with essential requirements concerning the dissertation preparation, completion, and submission. Individual departments, schools, and colleges may impose additional requirements or may specify requirements in greater detail. The graduate student has a responsibility to learn what, if any, special departmental/school/college requirements may apply. The dissertation should be prepared in accordance with the instructions of the Troy University
