GLOL 8898 Writing the Dissertation in Global Leadership (3)
 The purpose of this course is to begin to prepare students to undertake a major research study, specifically the dissertation. Requirements and expectations of the dissertation will be addressed. This course will assist the doctoral candidate to refine and/or define a dissertation research agenda. This course is designed to prepare the candidate with the necessary skills and knowledge necessary to complete the dissertation. The outcome of the course will be to assist the candidate in the completion of the dissertation.

GLOL 8899 Dissertation (3)
 This course is designed to assist candidates as they complete and defend the dissertation. The candidate will receive one semester hours. The instructor of record will serve as the committee chair for the dissertation (May be repeated.).

HIGHER EDUCATION

HEA 8801 Introductory Seminar in Higher Education (3)
 This course provides doctoral students with an overview of global higher education. Students develop a broad perspective of the field of global higher education. Specifically, this course examines higher education

HEA 8802 Global Higher Education Leadership (3)
 This course provides doctoral students with an overview of globally competent educators. Students develop a global perspective among students and colleagues. This course examines education

HEA 8804 Disruption and Innovation in Global Higher Education (3)
 This course examines the impact of disruption and innovation on higher education. Students will begin to understand and analyze the relationship between the two factors specifically in fuencing higher education in the US and the world.

HEA 8805 Contemporary Issues in Global Higher Education (3)
 This course examines numerous contemporary issues in the field of global higher education to gain a broad perspective of the field of global higher education.

HEA 8806 Advanced Seminar in Higher Education (3)
 This course provides examines globalization from the viewpoint of global higher education. Students will engage in discussion among colleagues. This course requires the student to have a strong background in higher education.

HISTORY

HIS 5501 Historiography of French Revolution and Napoleon (3)
 This course examines the French Revolution and Napoleonic era. *Prerequisites: Successful completion of HIS 6630, IR 5551, Or SS 6691*

HIS 5502 Historiography of Europe from 1815-1900 (3)
 This course examines the history of Europe from 1815 to 1900. *Prerequisites: Successful completion of HIS 6630, IR 5551, or SS 6691*

HIS 5503 Historiography of Contemporary Europe (3)
 This course examines the history of contemporary Europe. *Prerequisites: Successful completion of HIS 6630, IR 5551, or SS 6691. Note: May be taken for MSIR credit.*

HIS 5504 Historiography of Military History of the United States (3)
 This course examines the military history of the United States.
