Troy University recognizes that some students may have acquired knowledge and skills through life experiences, but may not have recognized credentials indicating currency and/or competency in those skills. The **Work-Related Portfolio Assessment** allows students the opportunity to have life/work related experiences evaluated as educational experiences and credited toward the BSOE Area 2: Work Related Experience. This portfolio is a collection of materials which represent a student's life experience in a certain subject area or skill. It will be assembled by potential students for evaluation by Troy University. In turn, TROY will determine academic credit (hours) and recommend any additional credentials needed to earn the full 30 hours required.
