

## TUITION AND EXPENSES

*For a complete listing of current registration and related fees, visit the Finance and Business Affairs website at <https://my.troy.edu/student-financial-services>*

### **Payment of Registration Expenses**

---

The payment of charges for tuition, fees, room, and board is part of the registration process. Troy University encourages full payment of all tuition and related fees by the first payment due date for the current semester or term. Payment of fees may be made on-line using Student Self Service or at the office of the Student Financial Services. Troy University accepts Visa, MasterCard, Discover, American Express, money orders, checks, and cash.

---

### **Payment Plan (Troy Campus Only)**

---

Troy University offers a tuition and fees payment plan which helps in budgeting college costs but requires financial planning by students and their families.

Students are required to pay all bills by published deadlines. One-half of all semester charges are due by the first payment due date. Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee. To meet the one-half requirement, students may apply the following:

Awarded institutional scholarship

Awarded financial aid

Payment by cash, check, money order, or credit card

Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee.

The remaining semester balance must be paid by the final payment due date. Failure to pay the entire balance of tuition and fees by the final payment date will result in a late fee of \$50.00. Failure to satisfy financial obligations to the University will result in restrictions placed on future class registrations, possibly having the account assigned to a collection agency with the student responsible for collection costs, and non-release of transcripts and diplomas. *The essential ingredient for a successful registration is for students to plan early.*

---

### **Clearance of Obligations**

---

It is the responsibility of the student to check, confirm, and pay account balances by the established payment due dates even if third party payments and/or financial aid and scholarships are anticipated to pay on the account. All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms. Transcripts and Diploma will not be issued if financial obligations have not been satisfied. Failure to meet financial obligations to the University could subject the student to additional late payment charges, as well as collection costs.

---

### **Miscellaneous Expenses**

---

In addition to registration expenses, miscellaneous expenses may be incurred by students. These charges are payable when incurred.
